RE: Operation Safe Ride

Trooper L.E. Coggins:

On behalf of the National Traffic Safety Institute and myself, I would like to extend a sincere thank you for initiating the approval and sequence of events that led up to NTSI being involved first-hand in Operation Safe Ride.

I personally had the opportunity to accompany Trooper W.A. Jarvis on February 25, 2005 and witness the efforts and effectiveness of Operation Safe Ride. During this initiative, Trooper W.A. Jarvis welcomed me with the highest level of professionalism and sincerity lending way to an unprecedented educational experience.

NTSI supports the Florida Highway Patrol and its efforts to educate the public about traffic safety. The FHP and law enforcement agencies alike represent the standard in integrity and honor!

Thank you for allowing us to participate in Operation Safe Ride, we look forward to a cooperative effort in the future.

Sincerely;
